

Data and Information Request Form

Please complete this form as fully as possible

Your details:

Name	
Position	
Place of work	
Address	
Telephone	
Email	
Date	

Details of your data/information requirements:

Do you want raw data or information	
What data/information do you require? (Please be specific and give as much information as possible)	
What dates do you require data/ information for?	
What geographical area do you need?	

Aims/proposed use of data or information:

What is the aim of your research study?	
Why do you need this from PICA Net?	
What will you use this data for?	
Who else will be involved in the project?	
What will you do with your results?	
Proposed timescale of project?	
If applicable who is your research funded by?	

Does your research require ethical approval and is it granted?	
Is your research compliant with Research Governance issues?	
Any other relevant information?	

Please forward request to picanet@leeds.ac.uk

Please note:

- We don't release any patient identifiable data.
- We don't release information about units without their permission.
- All request details are posted on the PICANet website (www.picanet.org.uk).
- Requests relating to research or clinical trials are forwarded to the chair of PICS SG (Paediatric Intensive Care Society Study Group) for consideration and recommendation for approval to ensure there is a co-ordinated approach to research in the PIC community.
- Recipients of data relating to research or clinical trials are expected to present a short summary of the project results to the PICS-SG Spring/Summer Meeting.

Acceptance of terms and conditions relating to the provision of data or information by PICANet

Provision of data or information by PICANet is conditional on your acceptance of the terms and conditions laid out in the document *Data and information requests: policy on use of data, publication and authorship dated 11th February 2011*.

I _____ (name) agree to abide by the terms and conditions laid out in the PICANet document *Data and information requests: policy on use of data, publication and authorship dated 11th February 2011*.
