Further information on the 2016 PICANet Annual Meeting can be found on the PICANet website at <http://www.picanet.org.uk/Annual-Meeting/>.

YOUR CHANCE TO SPEAK

We are offering PIC staff the opportunity to **write an abstract** for the Annual Meeting in November 2016. We would like submissions in the following categories:

1. PIC Families
2. Analysis of PICANet Data for audit or research
3. PIC Nursing

Abstracts should be **300 words or less**.

From the submissions, three winning abstract authors judged on scientific merit/interest will be chosen to **speak at the Annual Meeting and we will pay travel costs**. We will also be inviting poster submissions to be displayed at the Annual Meeting venue. The deadline for submissions has been extended up until the **1st September 2016**.

UPDATING YOUR UNIT

The PICANet Annual Report is well under way. We are updating 'Participating Organisations Hospital unit characteristics'. Please ensure your team have updated the information for you unit (including use and bed type). This will be published in this year's report appendices.

Congratulations to Jodie on the birth of her son in May! We've had a visit and can confirm both are doing very well. Jodie will be returning in 2017.

Welcome to Tracy Harris, our new Research Assistant, who is based at the University of Leicester. Many of you will get to meet Tracy over the coming months as she starts validation visits.

Caroline Lamming is on a leave of absence between June and October. All queries should be directed to picanet@leeds.ac.uk unless otherwise specified.

ANNUAL REPORT

The PICANet 2016 Annual Report is in production and will be published prior to the Annual Meeting on 2nd November.

The Report will be published online at www.picanet.org.uk. You can visit the site to see all previous reports, newsletters and information about PICANet.

RENAL DAILY INTERVENTIONS DATA COLLECTION

A new Renal Daily Interventions Audit was launched at the beginning of July 2016 as part of our customised data collection capability. The clinical lead for the audit is Dr Claire Westrope and is supported by the PICS renal group. **Please note participation in this audit is voluntary.** If you are already collecting the summary Renal Dataset please note that you do not have to do anything unless you wish to collect this enhanced dataset. Details of the audit can be found on the website: www.picanet.org.uk

If your unit is interested in participating in this new audit please get in touch with the PICANet team and we can provide you with more information.

The PICANet Audit is commissioned by the Healthcare Quality Improvement Partnership (HQIP) as part of the National Clinical Audit Programme (NCA). HQIP is led by a consortium of the Academy of Medical Royal Colleges, the Royal College of Nursing and National Voices. Its aim is to promote quality improvement, and in particular to increase the impact that clinical audit has on healthcare quality in England and Wales. HQIP holds the contract to manage and develop the NCA Programme, comprising more than 30 clinical audits that cover care provided to people with a wide range of medical, surgical and mental health conditions. The PICANet Audit is funded by NHS England, NHS Wales, NHS Lothian/National Service Division NHS Scotland, and the Royal Belfast Hospital for Sick Children, The National Office of Clinical Audit (NOCA), Republic of Ireland and HCA Healthcare.
