CLINICAL OUTCOMES PUBLICATION PROGRAMME (COP)

PICANet have recently completed a submission of data for English PIC and affiliated organisations (CTS) to MY NHS as part of the Clinical Outcomes Publication Programme. PIC data is now available on <https://www.nhs.uk/service-search/performance/search> .

SINGAPORE POSTERS

We are very proud to confirm, our PICANet statistician, Melpo Kapetanstrataki, has had 2 posters accepted at the Singapore Conference. Melpo has worked with the Australia and New Zealand Paediatric Intensive Care Registry (ANZPICR), Dr Kevin Morris and Dr Roger Parslow on the lactate papers and will be flying out to Singapore in June.

This is a fantastic achievement and we are very pleased Melpo and the team have gained this opportunity. Well done!

DATA FOR THE ANNUAL REPORT

Data was frozen on 31st March 2018 for the reporting period of January 2015 – December 2017. The PICANet annual report is in production. PICANet team are checking data submissions and creating all the tables and figures that go into the annual report.

If PICANet have any questions or queries about the data submitted they will be in touch with your organisation clinical lead.

The PICANet Audit is commissioned by the Healthcare Quality Improvement Partnership (HQIP) as part of the National Clinical Audit Programme (NCA). HQIP is led by a consortium of the Academy of Medical Royal Colleges, the Royal College of Nursing and National Voices. Its aim is to promote quality improvement, and in particular to increase the impact that clinical audit has on healthcare quality in England and Wales. HQIP holds the contract to manage and develop the NCA Programme, comprising more than 30 clinical audits that cover care provided to people with a wide range of medical, surgical and mental health conditions. The PICANet Audit is funded by NHS England, NHS Wales, NHS Lothian/National Service Division NHS Scotland, and the Royal Belfast Hospital for Sick Children, The National Office of Clinical Audit (NOCA), Republic of Ireland and HCA Healthcare.
